Since the early 1970s Julian Jacobson has been a vital and original presence on the British and international musical scene.

He has performed with many leading orchestras under conductors such as Sir Simon Rattle and Tamás Vásáry and is recognised as a fine duo and ensemble pianist having partnered such greats as Nigel Kennedy and Steven Isserlis.

Critics acclaim him:

The Daily Telegraph (UK): “... a disarming technique

*coupled with an undoubted intellectual mastery made Julian Jacobson's recital an awe-inspiring experience...”.*

The London Times: *“Its near minimalistic repetitions and driving amplifications have a cunningly kinetic effect which Julian Jacobson and the English Chamber Orchestra recreated in all their brittle brilliance. (Britten's 'Young Apollo' at the Royal Festival Hall...)”.*

Julian Jacobson is a Steinway Artist and Professor of Piano and Chamber Music at London's Royal College of Music.

Julian thrilled our audience last September and we are delighted to be able to present him to you again this year.
