SIBELIUS Symphony No. 2

Grieg's Peer Gynt Suite and his Piano Concerto are both heavily influenced by Norwegian folk songs and dance. Stefan Cassomenos, one of Australia's foremost pianists, will delight you as his fingers dance across the keyboard in the Piano Concerto.

ABC FM lists Sibelius' Symphony No. 2 in the top 10 of the 100 favourite classical works of all time! This symphony has more of a nationalistic character and will provide a triumphal conclusion to the concert.
